Private Provider Congregate Care Facilities

Please note that the data displayed in this graphic is drawn from 49 DCS-contracted congregate care facilities operated by private providers at which juveniles are currently placed. This private provider congregate care data is independently reported to DCS, without benefit of audit, and includes both children who are in state custody and non-custodial children. It also includes children who have been adjudicated dependent and neglected and children who have been adjudicated delinquent. Private providers of contracted facilities are required to report to DCS with 4 hours if any custodial child is exposed to, exhibits symptoms of, or is being tested for COVID-19.

Juvenile Detention Centers Licensed by DCS

Please note that the data displayed in this graphic is drawn from 17 juvenile detention centers operated by private providers and local governmental entities across the state. This juvenile detention center data is independently reported to DCS, without benefit of audit, and includes both children who are in state custody and non-custodial children. DCS does not operate any juvenile detention centers and operates only one congregate care facility.
