Dear Director Davis:

Thank you for your cooperation during the School Nutrition Program's 2017–18 fiscal year administrative review of Hardin County's National School Lunch Program and School Breakfast Program. This review was conducted the week of April 16, 2018, with the exit date of April 18, 2018. No findings were identified and the review process for Hardin County has been closed for the 2017-18 fiscal year period.

During the review, the team also discussed several technical assistance areas. Although we encourage your district to consider implementing the suggestions, these items are not required for compliance. Technical assistance recommendations are available on the Tennessee: Meals, Accounting, and Claiming (TMAC) website, and are listed in the "Compliance" section.

If you have any questions or concerns, please contact our office at (800) 354-3663.

Sincerely,

Jody Baruth,

State Director
School Nutrition Program
